

# Beautiful To Me

© Justin McRoberts 2003 Five Foot Six and a Half Music (ASCAP)

I am looking beneath the appearance of things  
To what gives them their life  
I am trying to see what my eyes cannot see  
See the artist's hand in his masterpiece

Your heart is shining in everything I see  
Your art is wonderful  
You are beautiful to me, beautiful to me

I am listening to the sweet music of you  
Not the rhythm or rhyme  
But the way they entwine
