G C Em D G
I will come to you with a heart that's made of stone
 C Em D C, G, D
You'll come and break it. You'll make my heart your own.

Come my God and cleanse me, I need to be set free

From my sin for your glory your love has captured me.

G, C Em, D
 And I long to see your face

G, C Em, D
 Be there with you in that quiet place
 C, G, D

In your arms

G, C Em, D

Jesus, I need you

G, C Em, D

Jesus, I love you
