I know it seems that they're so many  
I know it seems that we're so few  
That's all just part of the illusion  
Oh, that's how they get to you

Fear is all they know

Stand up, my love, find your strength  
You're so much stronger than you know  
Be brave, my love. You carry with you  
More than just your own hopes

I know it seems they're so much stronger  
I know it seems that we're so weak  
That's just until the fighting starts, dear  
Oh, then we're going to see

Just how strong they are

When you stand with the truth,  
Then you argue the truth  
When you don't have the truth  
Then you shout like a fool and that's all that they do
