

Make Me Like You

© Mike Busbee 2001 Mommasong Music

With mercy You've shown me your unfailing love
Your holiness purges my sin
Your blood has redeemed me, I'm washed in your grace
With patience You cleanse me within
Make me like You
Take the pieces of my life and make it new
Make me like You
Make me wholly, completely brand-new

To love the unloved ones, to count all as lost
I'll take up my cross for you
To picture you broken, to see you as King
For you anything I will do
