

I Give You My Life

© Mike Busbee 2001 Mommasong Music

What can I give to the one who formed the heavens?

What can I bring to the one who owns the hills
and the cattle on them?

What can I do for the one who's done it all for me and them some

What can I say to the one who made me

I give you my life

What can I give to try to show my thanks?

What can I bring to give you all my thanks?

What can I do for the one who did it all for me at Calvary's tree?

What can I say to the one who saved me?
