I'd forgotten just how sweet your mercies are Lord  
Would you remind me?  
I'm learning to need you.

I cry out your name  
I am in need of your mercies, Jesus  
Despite my pride and my shame  
I'm learning to need you.

You've been faithful in my weakness  
Father, Your love overwhelms my soul  
I'm learning to need you

I cry out your name  
I am in need of your mercies, Jesus  
Despite my pride and my shame  
I'm learning to need you.
