

# She

© Justin McRoberts 2002 Five Foot Six and a Half Music (ASCAP)

she is not paper thin  
she is not silent, nameless, happy  
she is not on your wall  
she is not near you, perfect, naked

she is a human being  
she is my reason why  
she is my very image  
she is my child

she is not for your eyes  
not for your liking, purpose, pleasure  
she is not usable  
she is not pictures, image, money

you make her something else
