

Ready When You Are

I feel the wear in my knees
From the weight of time
And i guess the longer i walk
The more I'll feel tired

I heard, don't know if its true
But that you just might be coming back soon
So if that is something you're thinking 'bout doing
I'm ready when you are.

I may just hang back a while
You can move a long
I need some rest for my heart
Been thinking a lot about home

I have fought and won with nothing to show
Run a good mile got sixty to go
Got more dirt under my nails
Than even i know
So if times marching on
Then he's old and he's slow
