

Follow You

In your love you have said to me
“Close your eyes so that you can see.
Walk in confidence blindly” and you’ll lead

In your death I can live again
If I die to the man I am
I’m not sure that I understand what that means

But I will follow you Lord
Follow you where you lead
Follow you Lord
Follow you where you lead

Spent some change on this crucifix
But the weight of it ‘round my neck
Bent my knees and it broke my back underneath

But I will follow you Lord
Follow you where you lead
Follow you Lord
Follow you where you lead

Is this the love I want?
Is this the love I need?
Is this the love I waited to see?

I will follow you Lord
Follow you where you lead
Follow you Lord
Follow you where you lead
