

# Heroes

This squeaky clean appearance  
I've been working on  
Is often in the way  
Of the truth and life that I'm portraying  
This narrow road I'm walking  
Is rising up to meet me  
Meet me right square in the face I'm praying

Lord guide us to see  
The key to our redemption  
Is knowing our humanity

## CHORUS

There are no heroes  
There are no great ones here  
We're only fools who know that we are fools  
There are no saints here  
There are no guiltless ones  
We're only those who know that we've been rescued  
The ancient art of making  
You believe that I am  
Half as good as I wish I was
