

# Love as Love

© Justin McRoberts 2002 Five Foot Six and a Half Music (ASCAP)

you know me  
and my blinded eyes  
i see your efforts as inconvenience  
i need your interruptions

you know me  
and my selfish heart  
i see your kindness as always in my way  
i need your arms to hold me

you who have loved  
so perfectly  
how can you take this abuse from me?  
teach me to know  
you're love as love

you know me  
and my wounded soul  
i hear your blessings as manipulation  
i need your prayers to heal me
